Our Products

A: Sales Of Live Animals, i.e. (Cows, Camels, Sheep And Goats)

International Golden Drop retails sales in specialized stores of meat and meat products.

We have a direct source in order to bring live animals, freshly slaughtered and/ or frozen from countries such as; Kenya, Tanzania, Sudan, Somalia, Brazil, and Ethiopia. Our company supplies directly from the owners of the farms in each and every country mentioned above, in addition, large quantities are inclusive.

B: Gold

International Golden Drop is registered to retail in specialized stores of Gold and Jewelry. Our company deals directly with the sellers of the gold whom provide it from mines from various countries in Africa. Moreover, we are able to facilitate with local agents and lawyers, as well as security companies in order to cover the smelting of gold to bars and all the aspects of documentations needed. Brink's Global Company will hold responsibility of exporting and delivering the products from the seller to the buyer country. Mode of

payments will be agreed between buyer and seller.

We have connections with local legal owners of gold mines in Congo, Sudan and Tanzania that are in particular look out for investors to invest in gold mines.

We can facilitate the purchase of gold from official international seller banks such as Switzerland and Hong Kong to international buyer banks.

C: Security Items

Our company is capable in providing all types of security items equipment, such as; cameras (cctv), x-ray machines, wireless detectors, intelligent security check systems, and active millimeter wave body scanners.

- IGD becomes a new mandate with Siam Success Group of Companies to sell COVID-19 3M products.

E: Free-zone

Oman possesses three large free-zones at the following locations; Sohar, Duqum and Salalah. IGD have an official agreement with Salalah's free-zone to invest in 1 million square meter, in addition, we are able to acquire a land in the other two remaining free-zones if an interest sparks by an investor.

Salalah Freezone:

Salalah is the second largest city of Sultanate of Oman. It is a coastal city, laying on the Indian Ocean. It is a United place in the Arabian Peninsula. On the northern side, it has mountain range, with greenery and lakes (in Khareef Season). On the southern side, it has lovely beaches, which are sunny from September to June every year. Salalah is a city spread between these mountainous regions and the Indian Ocean. It is located in Dhofar Governorate. The population density in Salalah is about 457,622 according to NCSI in 2017.

Salalah is located on the southern part of Oman, around 1000 kms away from Muscat. It is accessible from Muscat via road, air or sea.

The temperature is moderate throughout the year except in summer period when there is a drop in the temperature called Alkhreef, this is one of the reasons why significant number of tourists from the Gulf and other countries arrive in Salalah in this period.
